

AudaMobile

Quick Start Guide

Version 0.2

Getting started with AudaMobile

AudaMobile is an Apple App that integrates seamlessly with AudaEnterpriseGold to deliver paperless, mobile assessments.

Getting started with AudaMobile

Step 1

Install AudaMobile on your iPad

Step 2

Launch the application using the icon shown here.

Step 3

Enter your AudaEnterpriseGold credentials including:

- COMPANY CODE
- USERNAME
- PASSWORD

Step 4

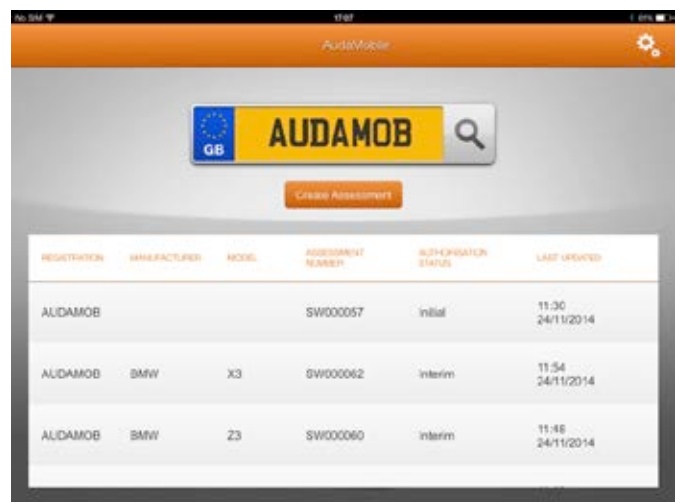

Search for the assessment by entering the full vehicle registration.

Note: Please ensure that the assessment has been created in AudaEnterpriseGold before performing this search.

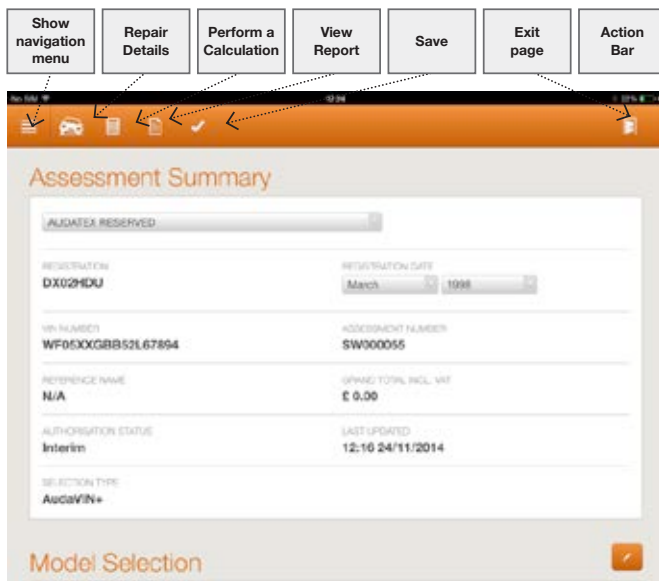

Step 5

Create Assessment or Select From List

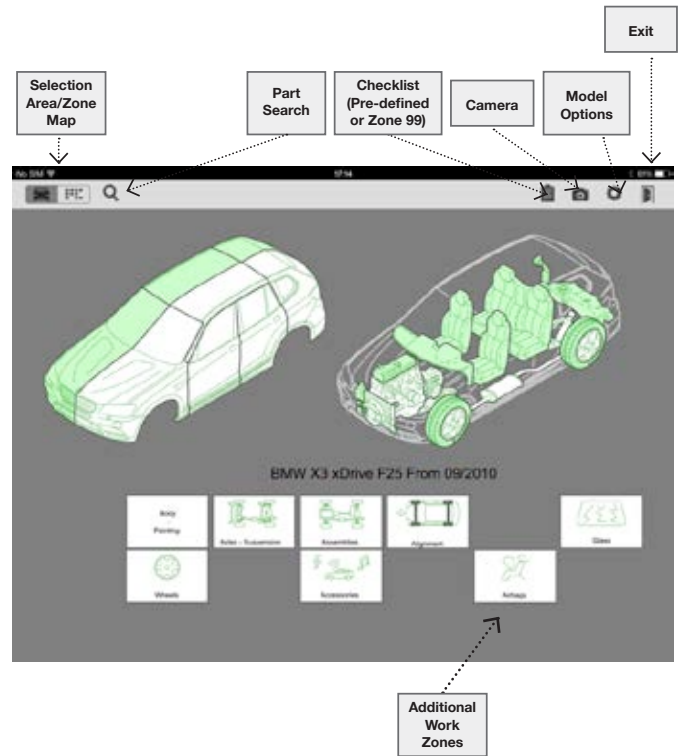

Step 6

Work with the assessment

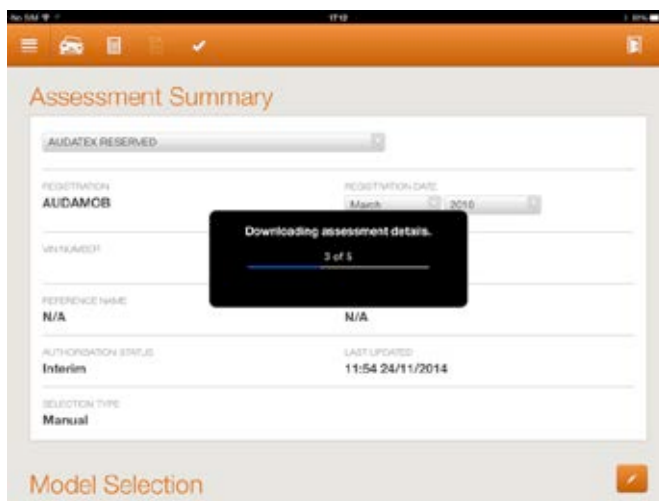

Step 8

Access the selection screen

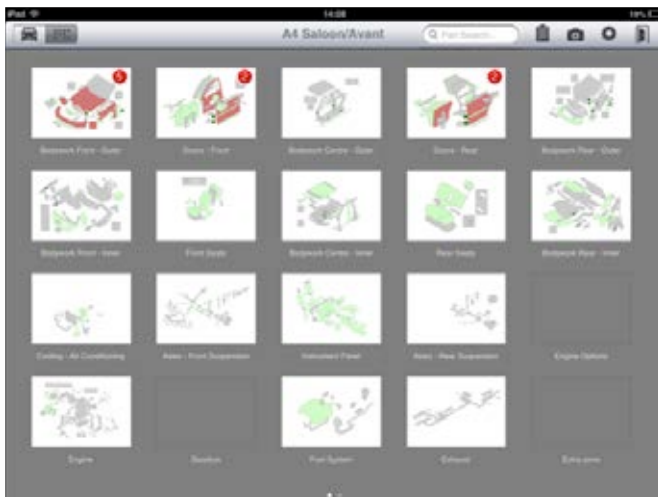

Step 7

Capture damage

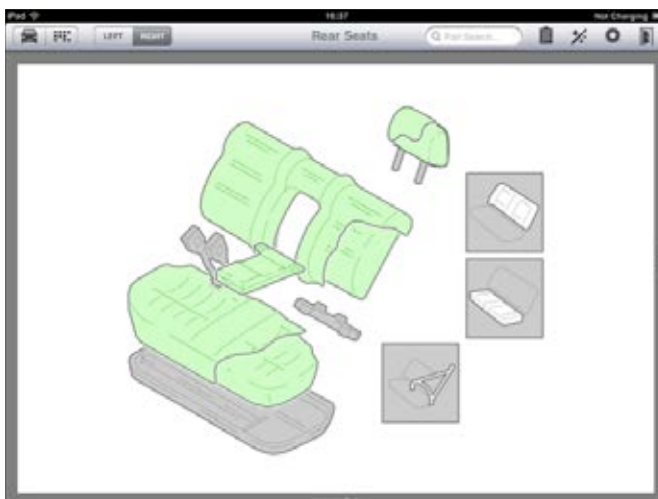

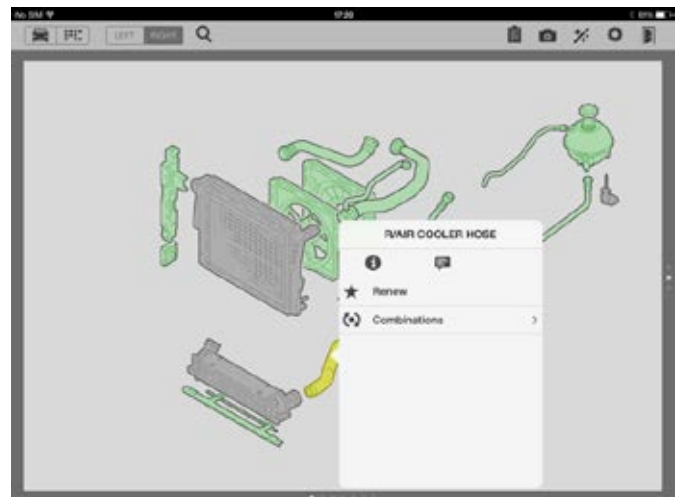

Step 9

Navigate through the vehicle zones

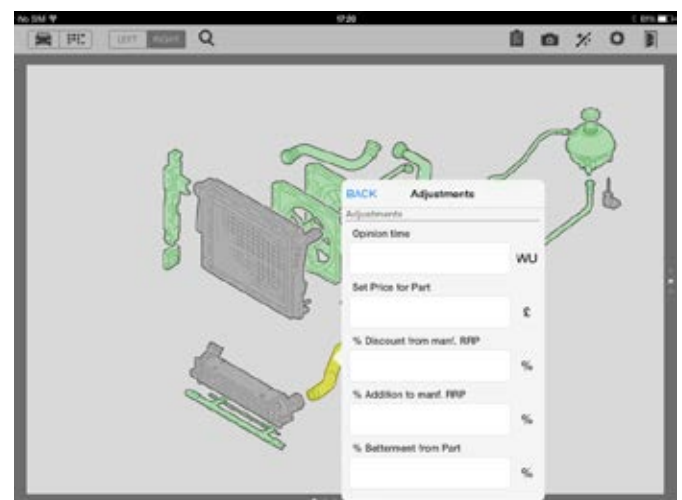

Step 10

Tap for the repair panel to appear

Step 11

Long press on a repair option to show adjustments
